

THE “GET CONNECTED” INFORMATION SESSION

It's exciting times online for people with disabilities, their carers and families.

Come and hear from three innovative organisations, and the people who created them, about how you (or someone you're supporting) can directly connect to jobs, care and support workers and activities online:

Careseekers – access affordable, personalised and flexible care and support workers online (www.careseekers.com.au)

MyCareSpace – access over 5,000 local services, providers and activities plus a resource library and shared personal stories (www.mycarespace.com.au)

Enabled Employment – Gives skilled people with a disability flexible work options with inclusive employers (www.enabledemployment.com)
