Dear Tuggeranong Community Council,

I was pleased to announce the outcomes of the Better Suburbs review into playgrounds across Canberra through the Play Spaces Forum.

The Play Spaces Forum was a community-led Forum made up of a cross section of the Canberra community which allocated \$1.9 million of Government funding to improve playgrounds in the Territory. It was part of the Better Suburbs programme which gave Canberrans the opportunity to identify their priorities for our city services going into the future.

The Forum reviewed detailed information about all of the suburbs that included: the existing provision, quality and diversity of play spaces in the suburb; ages catered for play in the suburb; and whether school playgrounds in the suburbs were open to the public.

I am pleased to list the investments being made in Tuggeranong below:
